Room

The Game Room is located on the second floor of the beautiful Chicago Athletic Association Hotel. Originally the billiards room of the private mens club, our Game Room features a range of games, a menu of sharable snacks, and a selection of beer, classic cocktails, and wine.

- Semi-private events for groups 10-150
- Groups of 150-250 guests require a full buyout.
- Our games include:
 - Full size bocce court
 - 2 pool tables
 - 2 shuffleboard tables + chess/checkers
 - Foosball
- Our menu offers street food inspired American favorites that are ideal for sharing and moving about the space. Full bar + specialty cocktail list curated by Paul McGee.
- AV includes two 80" TVs and microphone upon request.

While private events will secure the entire room, outside guests will be escorted through the space between the hotel lobby and Cherry Circle Room, our fine dining restaurant.

Game Room Floor Chart

Capacity

Capacity for the Game Room is 250 guests. All parties of 150 guests or more will require a full buyout of the Game Room. A buyout of the space will close off the room from walk-in business, however guests will still be escorted through the room to get from one venue to another.

Due to the size of the room, we are often able to book multiple events in one evening. Your event contract will guarantee you reserved space in a portion of the room for your guests only. There may be other areas reserved for other groups on or around the same time.

While we are happy to accommodate your preference for space in the room, we cannot guarantee this space will be available on your chosen event date.

Game Room Bocce Court (Top)

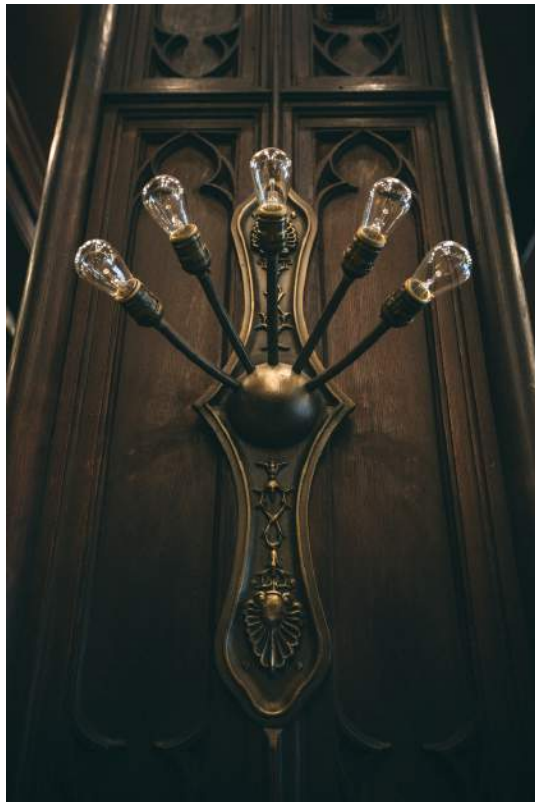

The Drawing Room, the hotel's main lobby area, serves coffee, tea, cocktails, wine and beer alongside a daytime and evening menu of light meals and shared snacks from Executive Chef Peter Coenen. The Drawing Room features interiors from acclaimed design team Roman & Williams.

- Our maximum capacity for events in the Drawing Room is 100 guests. As this space serves as the lobby for the hotel, it cannot be completely closed off for a private event.
- Ideal for groups 10-100
- Three grand fireplaces + Michigan Avenue view
- Excellent for business meetings, networking events & receptions of any kind
