The Talbott Hotel

📍 Rush & Division

This comfortable Gold Coast hotel recently received a four-month interior makeover spearheaded by Chicago designer Kara Mann, who transformed the space from an old-school hideaway to a bright, modern city escape. Situated in the heart of the Gold Coast, it's an ideal launching pad for a staycation—guests are just around the corner from Michigan Avenue shopping, Oak Street Beach and the MCA. Back in your room, you'll find plush bedding, handsome furniture and clean, sophisticated design touches.
