CLUB SPA

AT SUNRIVER RESORT

*WHERE VITALITY
SPRINGS to LIFE.*

A PLACE OF TRANSFORMATIONS

Sage Springs Club & Spa encapsulates the spirit of this high desert region with its warm ambiance, signature services and indigenous products. Welcome to a private world dedicated to your health, fitness and complete well-being.

OUR LOCAL AND GLOBAL VISION

We are proud to offer many services and products that are organic, locally grown and handcrafted in support of our local economy and charities across the globe. We partner with local farmers who lovingly tend fields. We reprocess water used in our services to water our gorgeous Woodlands Golf Course. Each product and partnership is mindfully chosen to ensure the best results for our guests, with minimal impact to our planet.

SAGE ADVICE

ARRIVAL

Please arrive 20 minutes prior to your scheduled appointment to familiarize yourself with our facility. If you arrive late, please note that your treatment will end as previously scheduled as a courtesy to the next guest.

THE SAGE SPRINGS EXPERIENCE

For your comfort we provide a robe and slippers upon check-in. Please feel free to join us early or stay late. You are welcome to enjoy our fitness room, saline lap pool, gorgeous soaking tub, eucalyptus steam room and candlelit relaxation room with tea service.

CANCELLATION POLICY

If you must cancel or reschedule your appointment, please observe our 24-hour cancellation policy to avoid being charged in full for the scheduled treatment.

GRATUITIES

Gratuities are not included in the price of our services. Gratuities may be given at your discretion; 15% to 20% is customary. An 18% gratuity will be applied to groups of three or more.

PRIVACY

To ensure your privacy and comfort, our therapists are professionally trained in proper draping procedures. During our body treatments, adequate draping is provided to ensure your privacy. Disposable undergarments are available per your request.

VALUABLES

Lockers are provided, but please do not bring valuables to the spa.

SUGGESTIONS

Drink plenty of water before and after all spa services. Please do not bring cellular phones or other electronic devices to the spa.

AGE GUIDELINES

Minors under the age of 18 must be accompanied by a parent or legal guardian during all of our spa services, with the exception of nail services. The parent or guardian must remain in the room for the full duration of the service.

HEALTH CONSIDERATIONS

Please notify your spa coordinator of any health concerns or sensitivity to skincare products that may alter the type of service we provide for you. We are happy to make special accommodations.

MOTHERS-TO-BE

Please notify your spa coordinator if you are expecting. Services to expectant mothers are available, and we will recommend services that are appropriate for each trimester.

OUR PARTNERS

*We carefully select product companies to ensure the best results for our guests.
Each partnership embodies a vision of results, quality training
for our staff and minimal impact on our planet.*

CASCADE LAVENDER FARMS This gorgeous lavender farm in nearby Madras grows nearly 100 different varieties of lavender. After the lavender is harvested, it is distilled at the farm and then crafted into beautiful body products that we are proud to use in all of our Signature Sage Springs services.

ZENTS An incredible company that focuses on product scents that speak to the individual. The foundation of each product is organic shea butter that deeply hydrates and is perfectly suited for our High Desert climate. Clean ingredients, cruelty-free, charity-driven and mindfully crafted is the foundation of every product they make.

TARA SPA THERAPY These therapeutic organic products are wild-crafted and designed to promote wellness of the mind, body and spirit. Tara has created a line that draws upon many years of experience as a working massage therapist and Ayurvedic practitioner. She is a nationally recognized spa educator and wellness coach.

SHANKARA A collaboration of Ayurvedic and Western specialists to create pure products, Shankara also benefits the communities by donating all of its profits to humanitarian projects. With purity and efficacy at the roots of its development, this product line heals the body and balances the mind. The services we offer with this line are inspired and carefully crafted to honor the 5,000-year-old wellness science called Ayurveda. This exciting partnership allows us to bring harmony to the mind and body of our guests.

EPIONCE A dermatologist-created line that focuses on rebuilding the skin's barrier. Epionce is a medi-spa favorite because it yields excellent results for every skin type. It is by far our best seller for personal care at home. Epionce's paraben-free products and clean scents make it a staff favorite.

HYDRAFACIAL A revolutionary patented machine that delivers incredible results. This line is very effective and deeply rooted in the science of skincare. Each product is specially designed to achieve the greatest results. Peptides, hyaluronic acid and antioxidants are the backbone of this line that is all the rage in Hollywood!

YON-KA PARIS These products have been breaking ground in the skincare industry for more than 50 years. Yon-Ka's commitment to creating products that smell great, yield results and perform beautifully in services makes it an industry pioneer. Pure essential oils and hands-on techniques make it one of our favorite services to deliver.

JANE IREDALE This mineral makeup line is known for its excellent coverage without occluding pores. It is makeup that helps support beautiful skin without damaging it. It can be perfectly customized for any look you want to achieve.

KEVIN MURPHY These products are skincare for the hair. Kevin Murphy is a session stylist who has been featured on more covers of Vogue than any other stylist in history. He is highly respected and has created sustainable clean products that perform without feeling heavy.

SMITH AND CULT We have spent years looking for nail colors that are formaldehyde-free and long-lasting. Smith and Cult is by far the best nail polish on the market.

A private world dedicated to health, fitness and well-being. The place where looking good and feeling great flow from a common source.
